LÜBECK

CALL FOR ABSTRACTS

We look forward to your contribution to one of the following topics:

- blood donation and donor management
- blood components: manufacturing and quality control
- preparative and therapeutical apheresis
- infection prevention of blood products: pathogen screening and pathogen reduction
- haemovigilance
- immuno-haematology and immunological principles
- haemotherapy: supply aspects and Patient Blood Management
- haemostaseology: coagulopathies, plasma derivatives and haemophilia
- immunogenetics: human leukocyte antigen (HLA) and transplantations
- haematopoietic stem cells: biology and transplantation
- cell and gene therapy
- legal base, quality assurance and regulatory requirements
- future fields of the transfusion medicine

Please submit your abstract online: www.dgti-kongress.de.

Deadline for the abstract submission: 8 June

Publication

Abstracts will be published fully quotable in a supplement of the journal "Transfusion Medicine and Hemotherapy" (S. Karger publisher) and will be listed in all relevant bibliographic services. Prior to the print edition all abstracts will be published quotable on the journals website www.karger.com/tmh by the DOI.
